- You can also use the Rewards portal at any time to check your earned rewards, report an activity and redeem your rewards for a gift card. To access the Rewards portal, simply follow the log-in instructions above.

Q: If I am a current Florida Blue Medicare Advantage member and I participated in HealthyBlue Rewards in 2021, what do I need to do to access the Rewards portal?

A: If you opted in to participate in HealthyBlue Rewards in 2021, you don't need to do anything. You will still be able to access the Rewards portal by logging into your member account at floridablue.com/medicare. If you need help with your HealthyBlue Rewards account, you can also call the HealthyBlue Rewards Support Team at 1-855-861-9400.

Q. Where can I read the HealthyBlue Rewards program rules?

A: More information and eligibility rules can be found at floridablue.com/healthyblue.

Q. Are the gift cards that I receive when I redeem my earned rewards in the HealthyBlue Rewards Program considered taxable income by the IRS?

A: Florida Blue Medicare is required to report to the IRS any amounts of \$600 or more paid to individuals. If you receive \$600 or more, you will receive a 1099 statement from Florida Blue. Please note that amounts less than \$600, while not reported to the IRS by Florida Blue Medicare, may still be considered taxable income and you should discuss any tax implications with a tax advisor.

Q: What if I didn't redeem my 2021 HealthyBlue Rewards?

A: The deadline for redeeming rewards earned during 2021 was December 31, 2021. Your rewards balance started over at zero on January 1, 2022. CMS requires that all eligible members who opt in to participate and earn rewards in a Medicare Advantage rewards program must redeem all rewards no later than December 31 of the current year. Therefore, any unredeemed rewards earned in 2021 will not be eligible for redemption in 2022.

Q: Can I be rewarded more than once for the same health activity and screening?

A: No. Eligible members can earn one reward per calendar year for each activity in HealthyBlue Rewards. Members are eligible to receive a reward for only one Annual Health Screening per year. Screening must be performed in 2022. Members are eligible to receive a reward for only one Colon Cancer Screening option per year.

Below is a list of rewardable activities that BlueMedicare Choice (Regional PPO), BlueMedicare Classic (HMO), BlueMedicare Classic Plus (HMO), BlueMedicare Saver (HMO) and BlueMedicare Premier (HMO)* members are eligible to complete in 2022.

Earn Rewards for being loyal to your health

HealthyBlue partners with members to guide them along their journey to good health. Members can earn rewards for completing milestones, such as getting your Annual Wellness Visit and undergoing cancer and diabetic screenings.

All Activities

\$30
1 PER YEAR

You are eligible to earn a reward for completing one of the following health screenings:

Option 1: Earn \$30 for an Annual Wellness Visit or a "Welcome to Medicare" Visit (if you are brand new to Medicare and within 12 months of enrolling in Part B). An Annual Wellness Visit or "Welcome to Medicare" Visit is a one-on-one talk between you and your doctor about your health. This is not the same as an annual physical or office visit. Your doctor will check your height, weight and blood pressure. You'll talk about your medications, eating habits, exercise and general well-being. You'll work together to create a plan for helping you feel your best.

Option 2: Earn \$30 for an In-Home Visit. A certified nurse practitioner will visit you to learn about your health. Together you'll develop healthy living goals for the coming year. You can also get needed tests and screenings at a Florida Blue Center or a Florida Blue-approved mobile unit. You will receive a printout you can easily refer to and share with your doctor. We offer health assessments, at no additional cost, to help members understand how to stay healthy.

Note: A Telehealth Visit can count as an In-Home Health Visit.

Complete a screening between Jan. 1 - Dec. 31, 2022 to earn a reward. Earn the reward faster by marking this activity "complete" or calling us.

\$20
1 PER YEAR

A breast cancer screening, also called a mammogram, X-rays your breast(s) to check for cancer. It can help find cancer early, when it may be easier to treat. Based on your history, your doctor will help set up a plan for when and how often you should be checked. Complete your breast cancer screening from Jan. 1 - Dec. 31, 2022 to earn a reward. Earn your reward faster by marking this activity "complete" or calling us.

Then, click the call to action button in that activity box. For example, if you are trying to report your colonoscopy, scroll down to the box *Colon Cancer Screening* and then click on *Complete*.

\$20
1 PER YEAR

Completing the Medicare health risk appraisal will give you an idea of your health and identify opportunities for improvement. The survey will be available on the Florida Blue Medicare member website. If you don't complete it, a Florida Blue representative may reach out to help you complete it. To complete the Medicare health risk appraisal online, log in to your Florida Blue member account. Once we've processed your survey, your \$20 reward will show up in your account.

\$20
1 PER YEAR

You are eligible to earn a \$20 reward for completing one of the following colon screenings, your doctor will help you know when you should be screened and the test that's right for you:

Option 1: Earn a reward for the fecal immunochemical test (FIT). This is a simple annual colorectal cancer screening you can take in the comfort of your own home. No special food or preparation is required.

Option 2: Earn a reward for one of the following tests:

- FIT-DNA (known as Cologuard) can be taken at home every three years.
- Sigmoidoscopy looks at part of your colon (as opposed to the entire colon like a colonoscopy). It should be repeated every four to five years.
- CT colonography uses different technology to look inside your colon. It should be repeated every five years.

Option 3: Earn a reward for a colonoscopy that checks for polyps inside your colon. It needs to be repeated every 10 years unless you're at high risk for colon cancer.

Complete one of these screenings from Jan. 1 - Dec. 31, 2022 to earn a reward. Earn your reward faster by marking this activity "complete" or calling us.
