## SECTION I - INTRODUCTION TO SUMMARY OF BENEFITS

The benefit information provided is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage." You may also view the "Evidence of Coverage" for these plans on our website, [www.floridablue.com/medicare](http://www.floridablue.com/medicare). The Evidence of Coverage includes a complete list of services we cover.

### You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **BlueMedicare Classic (HMO)** and **BlueMedicare Premier (HMO)**).

### Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **BlueMedicare Classic (HMO)** and **BlueMedicare Premier (HMO)** covers and what you pay.

- If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

### Who can join?

To join **BlueMedicare Classic (HMO) and BlueMedicare Premier (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area for BlueMedicare Classic (HMO) and BlueMedicare Premier (HMO) includes the following county in Florida: **Miami-Dade**.

### Which doctors, hospitals, and pharmacies can I use?

**BlueMedicare Classic (HMO) and BlueMedicare Premier (HMO)** have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider and pharmacy directory at our website. ([www.floridablue.com/medicare](http://www.floridablue.com/medicare)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

### What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers – and *more*.

- Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get *more than what* is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some other drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [www.floridablue.com/medicare](http://www.floridablue.com/medicare).
- Or, call us and we will send you a copy of the formulary.

### How will I determine my drug costs?

Our plan groups each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage.
