### **What to do now**

#### **1. ASK: Which changes apply to you**

- Check the changes to our benefits and costs to see if they affect you.
  - It's important to review your coverage now to make sure it will meet your needs next year.
  - Do the changes affect the services you use?
  - Look in Sections 1.1, 1.2 and 1.5 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
  - Will your drugs be covered?
  - Are your drugs in a different tier, with different cost-sharing?
  - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
  - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
  - Review the 2020 Drug List and look in Section 1.6 for information about changes to our drug coverage.
  - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.

- Check to see if your doctors and other providers will be in our network next year.
  - Are your doctors, including specialists you see regularly, in our network?
  - What about the hospitals or other providers you use?
  - Look in Section 1.3 for information about our Provider Directory.
- Think about your overall health care costs.
  - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
  - How much will you spend on your premium and deductibles?
  - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

## 2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area.
  - Use the personalized search feature on the Medicare Plan Finder at <https://www.medicare.gov> website. Click “Find health & drug plans.”
  - Review the list in the back of your Medicare & You handbook.
  - Look in Section 3.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan’s website.

## 3. CHOOSE: Decide whether you want to change your plan

- If you want to **keep** BlueMedicare Complete you don’t need to do anything. You will stay in BlueMedicare Complete.
- If you want to **change to a different plan** that may better meet your needs, you can switch plans between October 15 and December 7. Look in section 4, page 15 to learn more about your choices.

## 4. ENROLL: To change plans, join a plan between **October 15** and **December 7, 2019**

**Section 1.1 – Changes to the Monthly Premium**

Cost	2019 (this year)	2020 (next year)
<b>Monthly premium</b>	\$0 or up to \$30.30	\$0 or up to \$28.50
(You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)		

**Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount**

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2019 (this year)	2020 (next year)
<b>Maximum out-of-pocket amount</b>	\$6,700	\$3,200
<b>Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum.</b>		Once you have paid \$3,200 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.
If you are eligible for Medicaid assistance with Part A and Part B copays, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services.		
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.

## Section 1.3 – Changes to the Provider Network

---

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [www.floridablue.com/medicare](http://www.floridablue.com/medicare). You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2020 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

## Section 1.4 – Changes to the Pharmacy Network

---

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at [www.floridablue.com/medicare](http://www.floridablue.com/medicare). You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2020 Pharmacy Directory to see which pharmacies are in our network.**

**Section 1.5 – Changes to Benefits and Costs for Medical Services**

**Section 1.6 – Changes to Part D Prescription Drug Coverage**

---

**Changes to Our Drug List**

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is in this envelope.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. **We encourage current members** to ask for an exception before next year.
  - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Any existing formulary, tiering or utilization management exception authorization you may have will not automatically renew for the 2020 plan year. In order to ensure your current exception authorization does not expire, please contact our Member Services number for assistance. If your exception authorization does expire, you will be eligible for a transitional fill of your currently approved medication according to the transition policy. Your doctor may have to submit a new request for continued authorization of the exception. See Chapter 5, Section 5 of the *Evidence of Coverage* for more information about exception requests.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to the Drug List, see Chapter 5, Section 6 of the *Evidence of Coverage*.)

### **Changes to Prescription Drug Costs**

*Note:* If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which

tells you about your drug costs. Because you receive “Extra Help” and haven’t received this insert by September 30, 2019, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 7.1 of this booklet.

There are four “drug payment stages.” How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look in your *Summary of Benefits* or at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*.)

**Changes to the Deductible Stage**

Stage	2019 (this year)	2020 (next year)
<p><b>Stage 1: Yearly Deductible Stage</b>            During this stage, <b>you pay the full cost</b> of your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) drugs until you have reached the yearly deductible.</p>	<p>Your Deductible is \$415            During this stage, you pay \$0 cost-sharing for drugs on Tier 1 (Preferred Generic), Tier 2 (Generic) and Tier 6 (Supplemental Drugs) and the full cost of drugs on Tiers 3, 4 and 5 until you have reached the yearly deductible.</p>	<p>Your Deductible is \$435            During this stage, you pay \$0 copay for a 31-day supply of a drug from a preferred pharmacy and \$10 copay for a drug from a standard pharmacy for drugs on Tier 1(Preferred Generic). You pay a \$0 copay for a month’s supply of a drug from a preferred pharmacy and \$11 copay for a drug from a standard pharmacy for drugs on Tier 2 (Generic) and the full cost for all other Tiers 3,4 and 5 until you have reached the yearly deductible.</p>

**Changes to Your Cost-sharing in the Initial Coverage Stage**

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 4 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from now until December 7. The change will take effect on January 1, 2020.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 10, Section 2.3 of the *Evidence of Coverage*.

## SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Florida, the SHIP is called Serving Health Insurance Needs of Elders (SHINE).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-963-5337. You can learn more about SHINE by visiting their website ([www.floridashine.org](http://www.floridashine.org)).

For questions about your Florida Medicaid benefits, contact Florida Medicaid at 1-888-419-3456. TTY users should call 1-800-955-8771. The hours are Monday through Friday from 8:00 a.m. to 5:00 p.m. Ask how joining another plan or returning to Original Medicare affects how you get your Florida Medicaid coverage.

## SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** Because you have Medicaid, you are probably already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. If you get help paying certain Medicare costs through the Qualified Disabled and Working Individuals (QDWI) program, you must apply for Extra Help; you do not automatically qualify for it. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. If you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 7 am and 7 pm, Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
  - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Florida AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Florida’s ADAP directly at 1-800-352-2437 (TTY: 1-888-503-7118), or mail them at: HIV/AIDS Section, 4052 Bald Cypress Way, Tallahassee, FL 32399.
