## Important Information

Through this document you will see the “◇” symbol. Services with this symbol may require prior authorization from the plan before you receive the services from network providers. If you do not get a prior authorization when required, you may have to pay out-of-network cost-sharing, even though you received services from a network provider. Please contact your doctor or refer to the Evidence of Coverage (EOC) for more information about services that require a prior authorization from the plan.

## Coverage Gap Stage

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs.
