## BlueMedicare Complete for Members Eligible for Medicare and Medicaid

Our dual-eligible special needs health plan, BlueMedicare Complete, is for individuals in Broward, Clay, Duval, Hillsborough, Miami-Dade, Orange, Osceola, Palm Beach, Pinellas and Polk counties who are eligible for Medicare and receive either full or partial Medicaid from the State of Florida.

- BlueMedicare Complete uses the Florida Blue HMO Medicare Advantage provider network but has a limited number of PCPs. Not all Florida Blue HMO Medicare Advantage physicians are in-network for this plan.
- Participating in BlueMedicare Complete does not change your in-network status with our Florida Blue HMO network or any other Florida Blue network.
- BlueMedicare Complete members are assigned a PCP who is responsible for coordinating medical services. This means members must have a referral on file from their assigned PCP before visiting a specialist or other provider, or they may have to pay the entire bill.
- There is no out-of-network benefit, except for emergency and urgent care services.
- You can file claims as you do today for our other Medicare Advantage health plans.

## Important Reminders

- Individuals eligible for Medicare who are age 65 and older can enroll in a health plan from October 15, 2019 through December 7, 2019, for a January 1, 2020 effective date.
