PHARMACY

Consider Urgency When Submitting Prior Authorization Requests

One half of the pharmacy prior authorization requests received in the last six months were marked *urgent*. That's more than 66,000 requests. Here's a bulletin asking providers to consider the urgency of their requests when submitting them. [Learn more>>](#)

Responsible Quantity Program

Our Responsible Quantity Program encourages the appropriate, safe and cost-effective use of medications for your Florida Blue patients by setting a maximum quantity per month for a medication or supply. Please consider prescribing an alternative medication when a safer, more cost-effective medication is available for your patient.
