## ADMINISTRATIVE NEWS

### **New Vendor May Be Contacting You for Directory Verification**

We're working with BetterDoctor to ensure the information in our provider directories is as accurate as possible. BetterDoctor may be reaching out to your practice once a quarter by fax, mail, email and/or telephone to request a review. [Learn more>>](#)

---

## HEALTH CARE PLANS (NON-MEDICARE)

### **New Web Page Has Helpful Information About Temporary Insurance**

We're offering individuals under age 65 temporary insurance plans called *BlueOptions<sup>SM</sup> Temporary Insurance* and *BlueSelect Temporary Insurance*. You may get questions from your patients about temporary insurance options. To help you, we developed a Temporary Insurance web page. [Learn more>>](#)

### **Marketplace Health Plans Web Page Can Help You Answer Patients' Questions**

Remember to visit the Marketplace Health Plans web page if you get questions from your patients about their Marketplace health plans. [Learn more>>](#) on floridablue.com.

---

## PHARMACY

### **Notice of Change to the Provider-Administered Drug Program**

We're expanding the Provider-Administered Drug Program (PADP) drug list by adding biosimilar versions of already-included reference biologic products effective January 1, 2019. Preservice review will be required for a new biologic product added to the list. [Learn more>>](#)
