

## Marketplace Health Plans Web Page Can Help You Answer Patients' Questions

The Marketplace Health Plans web page has information to help you answer questions from your patients about their health plans. You can find it at [floridablue.com](http://floridablue.com) > Providers (top of the page) > Tools & Resources > [Marketplace Health Plans](#). The blue health plan buttons (see screen shot below) provide the following information:

- In the **Member Communications** section you'll find links to tip sheets in English and Spanish that you can share with your individual Florida Blue patients under age 65 who may have questions about their BlueCare<sup>®</sup> HMO, myBlue, BlueOptions<sup>SM</sup> or BlueSelect health plans.
- In the **Provider Communications** section are provider bulletins with information to help your patients maximize their health benefits.

### Share the News

Be sure to share a link to [Marketplace Health Plans](#) with your office staff to keep them informed.

Remember to visit the new web page periodically, as we will post additional information for you and your patients. For details about Florida Blue health plans, please refer to the [Manual for Physicians and Providers](#) on our website at [floridablue.com](http://floridablue.com).
