
Electronic Prior Authorizations Are Easy & Fast Use CoverMyMeds to Submit Retail Pharmacy Requests

CoverMyMeds[®] can save you time, provide faster coverage determinations and allow quicker access to medications for your patients. We encourage you to use this free tool to submit retail pharmacy drug authorization requests for your Florida Blue commercial and Medicare patients.

We have engaged Prime Therapeutics to offer electronic prior authorization (ePA) services through CoverMyMeds. This ePA portal allows providers to find, complete and submit prior authorization (PA) requests for medications under the pharmacy benefit for retail drugs. You can use this service by registering with [CoverMyMeds](#).

Benefits of Using CoverMyMeds

- A one-stop shop for prior authorizations -- you can submit PA requests for retail drugs electronically from one location.
- It eliminates the need to complete and fax paper forms to Florida Blue, reducing administrative waste so you can spend more time with patients.
- Access up-to-date information on the status of each PA request you have submitted.
- Dedicated CoverMyMeds experts are available by phone or live chat to help you with your requests.

Frequently Asked Questions

- 1. Why should I do this? I am used to faxing my prior authorizations.**
Submitting a PA electronically is not only fast and easy, you can see exactly where your request is in the approval process.
- 2. For which members can I submit electronic PAs?**
You may submit ePAs for Florida Blue Medicare and commercial members. This does not include your patients covered by the Federal Employee Program[®], the State of Florida group or other self-insured groups with a pharmacy benefit manager other than Prime Therapeutics.
- 3. Is there a cost to this?**
No, submitting ePAs is a free service to our participating providers.
- 4. Does this apply to self-administered specialty drugs covered under the pharmacy benefit?**
Yes, prior authorizations via CoverMyMeds includes reviews for self-administered specialty drugs, **only** if you want to use Alliance Rx Walgreens Prime to dispense. A list of self-administered specialty drugs that require a prior authorization can be found in the

[Medication Guide](#). Note that CoverMyMeds should not be used for specialty drugs intended to be dispensed by CVS Caremark Specialty Pharmacy.

5. **Can I use CoverMyMeds for PA requests for prescriptions beyond the seven-day supply limit for short-acting opioid analgesics?**
Yes, CoverMyMeds is our preferred method of receiving PAs for your opioid prescriptions and other retail pharmacy prescriptions requiring PAs.
6. **Does this apply to buy and bill drugs (drugs that are administered and supplied by the physician or facility)?**
No, prior authorization for these drugs should continue to be obtained from Florida Blue or MagellanRx Management. Refer to the [Medical Pharmacy Prior Authorization Lists and Utilization Management program](#) details in the Provider Manual.
7. **Are physician-administered drugs ordered by a specialty pharmacy for shipment to the physician's office included in the retail drug authorization request process with CoverMyMeds?**
No. These services are not included in the retail pharmacy process and should be coordinated with the specialty pharmacy that is dispensing the drug.
8. **Where can I submit my electronic prior authorization requests?**
There are several ways you can access the CoverMyMed portal to submit your requests:
 1. [Floridablue.com](#) under [Medical & Pharmacy Policies and Guidelines](#)
 2. [Prime Therapeutics](#)
 3. [CoverMyMeds](#)
