Florida Blue Medicare Expands to Serve The Villages

The Villages Health will be offering Florida Blue Medicare Advantage to The Villages® residents effective January 1, 2020. This multi-specialty health care provider group primarily serves residents of The Villages, one of the nation's largest retirement communities.

The expansion allows The Villages Health to better serve the community and achieve its mission of making The Villages community America's Healthiest Hometown® by providing its patients with more choices for their Medicare Advantage plans.

The Villages Health will be offering our HMO health plan, rated five stars by the Centers of Medicare and Medicaid Services, the highest rating available to health plans.

The Villages Health provides coordinated care to more than 47,000 patients, including 20,000 managed at-risk Medicare Advantage members. Its staff of 475 health professionals includes 60 board-certified physicians from 15 specialties.
