

## How You Can Help Your Patients Who Ask About Marketplace Health Plans

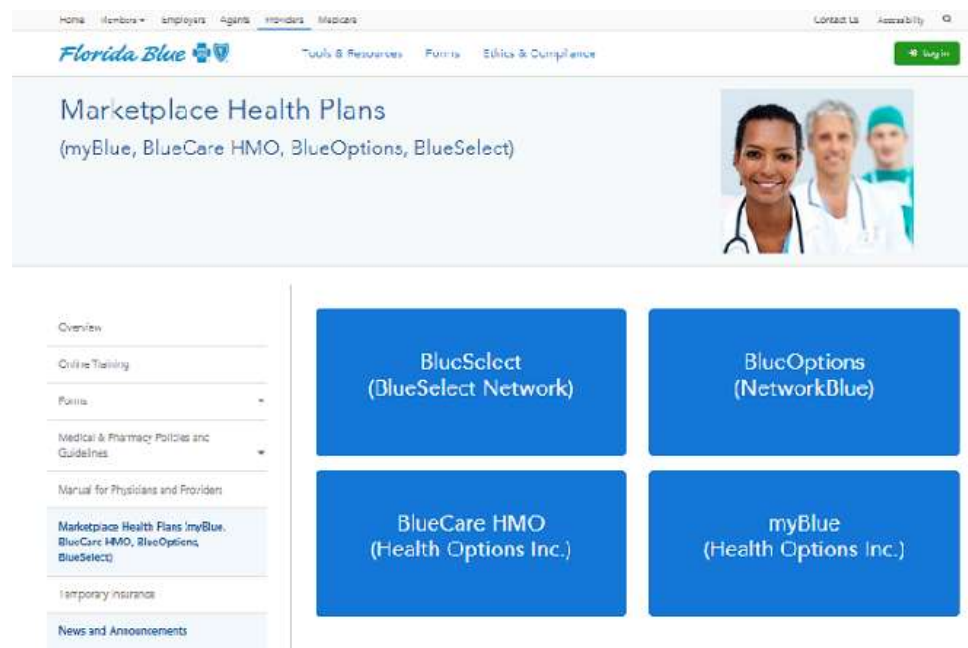

If patients ask you about their BlueCare® HMO, myBlue, BlueOptions<sup>SM</sup> or BlueSelect health plan benefits, you can help. Information about Marketplace Health Plans is available on our website at [floridablue.com](http://floridablue.com)> *Providers (top of the page)*> *Tools & Resources*.

### Information for You and Your Patients

The Marketplace Health plans web page includes plan-specific information for providers and members. Just click on a button for BlueSelect, BlueOptions, BlueCare or myBlue (shown below).

- The **Member Communications** section contains links to tip sheets in English and Spanish for your Florida Blue patients who are under 65 years of age.
- Provider Bulletins in the **Provider Communications** section can help you help your patients maximize their health benefits.

If you have not visited the Marketplace Health Plans [web page](#), here is a screen shot.

### News to Share

Be sure to share a link to the [Marketplace Health Plans](#) page with your office staff to keep them informed.

For details about Florida Blue health plans, please refer to the [Manual for Physicians and Providers](#) on our website at [floridablue.com](http://floridablue.com).
