**SCHEDULE YOUR APPOINTMENT BEFORE <MM/DD/YYYY>**

Dear <First>,

Florida Blue is making it easier to take charge of your health. We are working with HealthFair to bring a mobile clinic to your neighborhood, so you can get the health screening you need close to home. This screening is customized to fit your specific health needs and can be completed in one appointment with HealthFair. Best of all, this screening is provided at **no additional cost to you.**

#### **PREVENTIVE EXAM**

- Screening Mammogram: This is the most effective test to detect breast cancer early, identifying it several years before a lump can be felt. Screening mammogram is a quick procedure with no down time.
- Body Mass Index (BMI): a weight to height comparison to determine if you are underweight, overweight or adequate weight. "Helps to set goals for ourselves."
- Hypertension Screening: If you have high blood pressure, make sure you are visiting your doctor at least 2 times a year and that your blood pressure is less than 140/90.

#### **AT NO EXTRA COST TO YOU!**

Preventive screening and checkups can help you stay healthier by identifying problems earlier when they are less complicated to treat. Remember, your preventive screening is provided at **no extra cost** to you when you use HealthFair or any preferred provider in FEPblue.org.

#### **CALL <1-855-280-0017> TO SCHEDULE**

An order for your preventive screening is enclosed. After your visit, you will receive a copy of your results. HealthFair can send a copy of your results to your doctor. Be sure to request that free service as well. The HealthFair mobile clinic will be in your area during specific days and times and spots are limited. "SCHEDULE YOUR APPOINTMENT TODAY!" If you have questions about this screening or want to schedule an appointment, please call HealthFair at <1-855-280-0017>. "Monday through Friday from 8am - 10pm eastern standard time or Saturday and Sunday from 8am - 5 pm eastern standard time. TTY users call 711."

Wishing you the best of health,

Florida Blue

We're coming to your neighborhood!
