

Find Information to Help You Help Your Patients On the Marketplace Health Plans Web Page

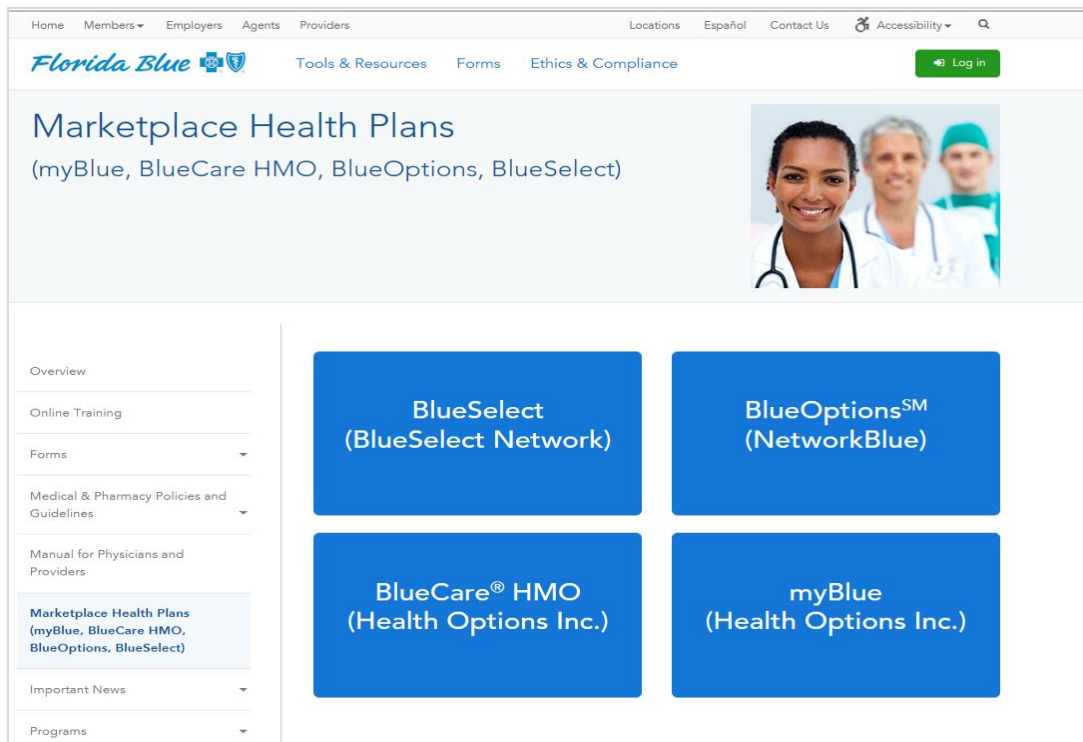

If patients ask you about their BlueCare® HMO, myBlue, BlueOptionsSM or BlueSelect health plan benefits, you have answers as close as your keyboard. You can find information on the [Marketplace Health Plans](#) web page. It's located on our website at floridablue.com> Providers (top of the page)> Tools & Resources.

Your Information Resource

The Marketplace Health plans web page includes plan-specific information for providers and members. Just click on a button for BlueSelect, BlueOptions, BlueCare or myBlue (shown below).

- In the **Member Communications** section, you'll find links to tip sheets in English and Spanish for your Florida Blue patients who are under 65 years of age.
- In the **Provider Communications** section, you'll find tips (provider bulletins) so you can help your patients maximize their health benefits.

If you haven't visited the Marketplace Health Plans [web page](#), here's a screen shot.

News Worth Sharing

Be sure to share a link to the [Marketplace Health Plans](#) page with your office staff to keep them informed.

For details about Florida Blue health plans, please refer to the [Manual for Physicians and Providers](#) on our website at floridablue.com.
