

## Value-Based Alternative Payment Programs Webpage Updated

We recently updated the look of and information on our Value-based Alternative Payment Programs [webpage](#) on floridablue.com.

We've organized the webpage into separate sections to make it easier to review information on each of our programs:

- Accountable Care Organizations
- Patient-Centered Medical Homes
- Comprehensive Primary Care
- Episode Bundle

We encourage you to [take a look](#) at the updated content on the webpage to learn more about our value-based alternative payment programs. These programs are designed to help improve the coordination and quality of care for all our members through value-based health care.
