

Personalized Health Checklist for Medicare Advantage Members

In early October, we are mailing a personalized health checklist to our BlueMedicareSM Medicare Advantage plan* members, reminding them about important needed screenings and other care, and the rewards they can earn for completing the care.

The customized checklist is intended to help members become better engaged with their health care by sharing what care and services they may need based on claims processed through mid-August 2019. We're asking members to take their checklist with them to their next 2019 wellness visit and speak with their provider about what screenings, tests and other services should be completed this year. The tests and services mentioned in the checklist are available to members at no extra cost as part of their BlueMedicare health plan.

Members will also receive our [2019 Rewards and Loyalty Program brochure](#). This brochure provides all the detail members need to participate and get rewarded for completing their specified care and services before December 31, 2019.

Through these materials, members are encouraged to contact their providers to review their overdue care and services, and coordinate their care based on the best approach.

If a BlueMedicare patient asks you questions about this initiative, please encourage them to make an appointment and review their checklist with their primary care physician.

* BlueMedicare HMO plans include BlueMedicare Classic, BlueMedicare Classic Plus, BlueMedicare Premier, and BlueMedicare Complete (DSNP); PPO plans include BlueMedicare Select and BlueMedicare Choice.

Florida Blue is a PPO, RPPO and Rx (PDP) plan with a Medicare contract. Florida Blue Medicare is an HMO plan with a Medicare contract.
