Deadline for PCPs to Join Medicare Advantage Bonus Program is Near!

The **June 1, 2019 deadline** to opt in to participate in our 2019 BlueMedicareSM Provider Quality Bonus Program is almost here!

Primary care physician (PCP) groups who treat Florida Blue BlueMedicare Medicare Advantage patients were mailed materials detailing the bonus program. Our program consists of financial incentives for providing specified care to BlueMedicare HMO and/or PPO patients between January 1 and December 31, 2019. This care is closely aligned with Medicare Stars and our quality improvement program.

To participate in our provider quality bonus program, eligible PCPs **must opt in by June 1, 2019**. An opt-in form with return directions was included with program materials sent to PCPs.

If you received our provider quality bonus program materials and would like to participate, please be sure to send us your completed opt-in form today. Only one form is required for your practice.

If you did not receive our program materials, need the opt-in form or a set of program materials, or if you have questions, contact us at starsqualitybonus@floridablue.com.

Do not *leave money on the table!* Be sure you opt in to participate in our bonus program before June 1!
