

# Florida Value-Based Health Care

With more value-based care than our competitors, it's time to look at how Blue can help you.

**Value-based care from Florida Blue helps save you money, while improving the health of your employees.** We focus on wellness, early intervention and intense chronic condition management to drive reduced medical expenses.

## Save on health care costs now—and over time.

At Florida Blue, we're focused on helping our members stay well. Our programs promote:

- Fewer ER visits
- Reduced hospital admission rates
- Faster healing and return to full function
- Enhanced focus on wellness and prevention
- More employee satisfaction from greater care coordination

## Employees can easily get care and stay healthier.

By making it simpler to go to the doctor, our members are more likely to get the care they need with:

- Coordinated care with primary care and specialists who work together to improve members' health
- Convenient appointments at offices that are open late and on weekends
- Better information to make health decisions through electronic communications
- Focused education to keep members well and help manage conditions

**By incenting doctors to proactively manage the care of your employees, we've seen these proven results across Florida Blue's commercial business<sup>1</sup>:**

<sup>1</sup> Cost advantage was developed by comparing value-based provider performance to peer group over a 3-year time period (CY 2016-2018). Costs for value-based providers were trended forward using the peer group trend and then compared to their actual performance.

Employer-specific results may vary based on the employer's population. Provider networks are subject to change. They are made up of independently contracted physicians, hospitals and ancillary providers.

Health insurance is offered by Florida Blue. HMO coverage is offered by Florida Blue HMO, an affiliate of Florida Blue. These companies are Independent Licensees of the Blue Cross and Blue Shield Association.
