Coding Webinars Offered Exclusively On-Demand

All Florida Blue coding webinars will now be available exclusively on-demand at availity.com; live webinar options will not be offered through the end of the year. You can watch on-demand training options at your convenience!

Access all of our on-demand webinars on availity.com; go to Payer Spaces > Florida Blue Learning and Development. If you do not have a log-in for the Availity® website, you can access our training opportunities at floridablue.learnupon.com/catalog. Follow the simple steps for non-Availity portal users. Or register for a log-in at availity.com for ongoing access.

Please note that our webinars about chronic condition ICD-10 coding topics will continue to be available on-demand so you can earn 1.5 CEUs from the American Academy of Professional Coders (AAPC) for each completed course.
