**Note:** A ✓ means 100% of the benefit is paid. +**Only applicants first eligible for Medicare before January 1, 2020 may purchase Plans C, F, and high deductible F.** This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Every company must make Plan A available.

\*\*Florida Blue is a trade name for Blue Cross and Blue Shield of Florida, Inc., an Independent Licensee of the Blue Cross and Blue Shield Association.

1 - Plans F and G also have a high deductible option which require first paying a plan deductible of \$2,490 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plans F and G do not cover the separate Foreign travel emergency deductible. High deductible Plan G does not cover the Medicare Part B deductible. However, high deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

2 - Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 - Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

### **Basic Benefits**

**Hospitalization** - Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

**Medical Expenses** - Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or co-payments.

**Blood** - First three pints of blood each year.

**Hospice** - Part A coinsurance.

### **Premium Information**

We, Florida Blue, can only raise your premium if we raise the premium for all policies like yours in the state of Florida.

### **Read Your Policy Very Carefully**

This is only an Outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

### **Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to Florida Blue, Post Office Box 1798, Jacksonville FL 32231-1798. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

### **Notice**

- Neither Florida Blue, nor its agents are connected with Medicare.
- This Outline of Coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details. Use this outline to compare benefits and premiums among policies.

### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

### **Complete Answers Are Very Important**

When you fill out the application for the new policy, and it is NOT an "Open Enrollment or Guaranteed Issue status application," be sure to answer truthfully and completely all questions about your medical and health history. The policy is issued on the basis that the answers to all questions and all information shown in the application are correct and complete. The company may cancel your policy and refuse to pay any claims if you make misstatements, leave out or falsify important information. Review the application carefully before you sign it. Be certain that all information has been properly recorded. To review "Open Enrollment" timeframes please go to the following link on the Medicare.gov website:
